- WORK EXPERIENCE -

Teleios Systems Limited | Software Dev Intern, June 2017 - Aug 2017

- Contributed to a full solution for the government of the Bahamas' new NHI program by developing a .NET core web service to validate and sync user info between Bahamian databases with transient-fault-handling via Polly.
- Prepared and hosted the company's 10th Power Hour Live session, a live discussion/showcasing of current, exciting technologies.
- Created and deployed the Teleios Code Jam bot using MS Bot Framework and Luis.ai. It can be accessed by messaging the TCJ Facebook page or via Cortana.

Western Union | Front Line Agent, Sept 2015 - May 2016

- Handled money transactions of hundreds of clients per week.
- Created excel spreadsheets to record daily transactions and produce predicted balance figures.

Quivira Scout Ranch | International Camp Counselor, June 2016

- Taught young scouts about scouting, specifically rowing, kayaking, motor-boating and sailing.
- Collaborated with the management of QSR and the scouting assoc. of Kansas to inform Kansan scouts of the world beyond the USA.

- PROJECTS -

ArgonJS-Playground | Argon.js, A-Frame, Socket.io, LUIS.ai

- Developed an AR scene using Argon.js with a NodeJS backend server that accepts API requests to modify the virtual scene.
- Used socket.io to emit scene modifications to all connected users so the objects of the world are modified simultaneously for all users.
- Demoed the app using a bot created with the MS Bot Framework and LUIS.ai to send appropriate API requests using natural language.

UW Assoc. of Caribbean Students Website | Angular, Firebase

- Built from scratch and maintain the clubs current website.
- Includes admin features and varying user role access.
- Integrated with Firebase to manage the database of users and allow admins to interact conveniently with the data.

STAT 230 Course Notes | \LaTeX

- Creating a fully-fledged book including proofs, theorems, graphs and original examples, for STAT 230 at UW in \LaTeX .

- ACTIVITIES -

2009→ | Holistic Music School Ensemble

Semi-professional lead flautist in a mainly jazz but also folk and locally oriented band.

2009-15 | First Trinidad Sea Scouts

Troop Leader tasked with planning and organizing events.

Over 40 hours of community work includes beach clean ups, charity events and life guarding services.
